ORDER:-

In the reference read above, the Secretary, Andhra Pradesh State Council of Higher Education, Hyderabad has informed that the Government accorded permission to five B. Pharmacy colleges for conducting Doctor of Pharmacy Post Baccalaureate (Pharm-D (PB)) course with B. Pharmacy as entry qualification and a new course for the academic year 2009-2010. The admission process in respect of Pharm-D (PB) course could not be initiated through EAMCET-2009/PGECET-2009 due to non-receipt course syllabus etc., from PCI, New Delhi.

2. He has further informed that the Managements, represented that they have made admissions in the said course Pharm-D(PB) charging the Tuition fee of Rs.86,000/- per annum per candidate as fixed by AFRC in respect of Pharm-D course in 2009-10, with good intention for saving the academic year since there was enormous delay and requested the Competent Authority to grant approval for the admissions made while submitting an affidavit by them as well as the admitted students to the effect that they shall abide whatever Tuition fee is fixed by AFRC for the students of the course. The students have also mentioned that they would not claim either Tuition fee reimbursement or scholarship from the Government. The process of admissions followed by the Managements seemed to be exactly the same as permitted by the Government vide G.O.Ms.No.286 HE Dept dt: 01.12.08 pertaining to Pharm-D admissions for the year 2008-09. The AFRC will be in a position to take up fixation of Tuition fee of Pharm-D (PB) course only on receipt of relevant GO's on the proposals made by Andhra Pradesh State Council of Higher Education, Hyderabad.

3. He has therefore requested the Government to ratify the admission process followed by the Managements enabling the State Council to grant approval of admissions, while keeping in view of the viability of the course and also the future of the students who have taken admission into this course for 2009-2010.

4. After careful examination of the matter, the Government hereby ratify the admission process adopted by managements of the colleges who were permitted to conduct Pharm-D (Post Baccalaureate) course during the academic year 2009-10 by the State Government as a one time measure to safe guard the student interest and loss of one academic year.

5. The Secretary, Andhra Pradesh State Council of Higher Education, Hyderabad shall take necessary action accordingly.
